

Dear Families:

Today we celebrated the confirmation of three new members of our church! We had a short Sunday School today, but when we did go downstairs we talked about what confirmation is. We talked about the roles and responsibilities of church members, and what the Holy Spirit asks us to do. We did an art project to remind us of the gifts that the Holy Spirit gives us.

We continue to celebrate the Easter season as well. Jesus' resurrection means that, when we choose to follow Him, we will be saved from our sins forever! It the reason we choose to act the way we do, and say the things we say. Easter is why we have the values that we have as Christians- and those ideas, values and beliefs have changed the world. We must do all we can to uphold Christ in today's world so more people can become sheep in His flock.

Looking ahead, Youth Sunday will be June 12. The students will begin preparing for that special day in the coming weeks. We hope to showcase all that we've learned this year and can't wait for you to see our hard work!

Thanks for joining us today!
Carol McClellan
CE Director
