

## **Dear Families:**

Today in Sunday School, we talked about the Ten Commandments. Our weekly challenge for Lent focuses on Listening to God. What better way to listen to God than to go right to the source: The Bible! This week, read God's word. See if you can discern what He is trying to tell you.

A great place to start would be studying the Ten Commandments. Some are very easy to follow; others, not so much. As any parent or teacher can tell you, good listening is not just hearing. It's also doing what we were told to do. Work hard during this week of Lent. Make sure you do your best to be completely honest, honor your parents, honor your spouse, not be jealous, keep the Sabbath holy, and don't put anything else before God. Make this Lent a time to reform the things about you that need to be fixed.

The youth had their candle-making day during Winter Break. They made 40 candles to sell, with all proceeds going towards the support of Literacy of Love. We have 25 candles left! The candles are being displayed in Fellowship Hall. They are \$5 each. The kids did a great job! Please consider purchasing a candle to support their ministry.

Thank you for joining us today!
