

Dear Families:

Well, here it is- the final class of the Sunday School year! We look forward to showing you all we've learned this year during our Youth Sunday service, which will be held next week during the worship service. The students will lead the service by doing the responsive readings, liturgist role, leading the congregation in the Lord's Prayer, and performing a special musical selection. Fellowship Hall will display several of our projects that we've worked on this year as well. We hope you can join us!

Not only will the youth be honored for their participation in the Sunday School program, but we will have an extra celebration as well. Nathaniel will be confirmed as a member of God's church during the service as well. He has been attending classes and is excited to contribute even more of his time and energy to serving God and his church family. Congratulations, Nathaniel!

We will also participate in communion next Sunday as well. It will be a busy but fulfilling week!

Since this will be my last newsletter for this school year, I would like to thank the students and their families for their participation. There would be no Sunday School, and a darker church future, without the fact that you value Christian education for your children. Thank you for the privilege of teaching your children each week. I love seeing how much they grow in their faith and their love of Jesus throughout the year!

Thank you for being with us today, and we will see you in September!

Carol McClellan

CE Director
